

Business Development Intern Job description – Full Time position

About: The Poggi Brothers is an Italian travertine quarry owner and marble trader based in Tivoli, Rome. The company's mission is to extract, work and commercialize made in Italy stone worldwide. With 93% of our production being sold abroad, we are continuing to expand our business relationships in all 5 continents according to the fluctuating and volatile demand for our products.

Poggi seeks a business driven individual to assist in the business development strategy of our company. This internship is an excellent opportunity to experience various aspects of strategic management while working for an internationally well-known business driven organisation.

Responsibilities:

- Independently working on assigned projects
- Occasionally participating at public relations events under the responsibility of the assigned manager
- Archive management database
- Client relationship management

Qualifications:

- Fluency in English (additional languages are an asset)
- Completed or working towards a college degree (Bachelor or Master's Degree)
- Ability to address highly strategic and challenging business problems. Ability to drive and implement ideas in a changing environment
- Demonstrated interest in architecture, building and relationship management
- Demonstrated analytical skills
- Developed project management, interpersonal and organizational skills

Start Date: As soon as possible, requires 6-12 month commitment. This is a part time position.

To Apply: Please send your CV and cover letter in English to hr@poggibros.it. F.lli Poggi is an Equal Opportunity Employer and does not discriminate on the basis of sex, race, age, national origin, ethnic, background, disability or any other characteristic protected by law.
